Remarks	<p>Your sincerity in correction work is appreciable . Mistakes have been taken out but I advise you not to overwrite on the incorrect word . Please write the corrected word separately for the better clarity of the child .</p> <p>Uniformity lacked in composition work . Composition work must be done in class as if given in homework is mostly copied from the AI tools.</p> <p>A few notebooks were uncovered (Madhav & Kamna).</p> <p>Regularity in checking must be maintained and no notebook should ever remain unchecked . (Tanvi Dhakad unchecked)</p> <p>The back page of the notebooks was found to be untidy and scribbled in almost all the notebooks .Students must be guided for the same.</p> <p>Index must be completed as well as duly signed . It was not in many notebooks . Index must be tidy. (students to be guided for the same)</p> <p>Spoon feeding is to be stopped and students must be encouraged to write independently .</p> <p>MUST ENSURE ZERO ERROR CHECKING</p> <p>Well done ! Keep up your efforts !</p>
